As a balloon inflates, it begins to fill and take shape. It rises up into the sky to begin its journey toward a destination. The unique atmosphere and memorable traditions at Ursuline Academy enable us to expand, grow, and strive for our individual goals. Upon graduation when this growth approaches completion, then it is our turn to soar on, to a new beginning.

ADMINISTRATION

Vice-Principal, Sr. Ann Barrett O.S.U.; President, Sr. Carla Dolce O.S.U.; Treasurer, Sr. Dolores Marie Ramsey O.S.U.; Principal, Sr. Catherine Chandler O.S.U.

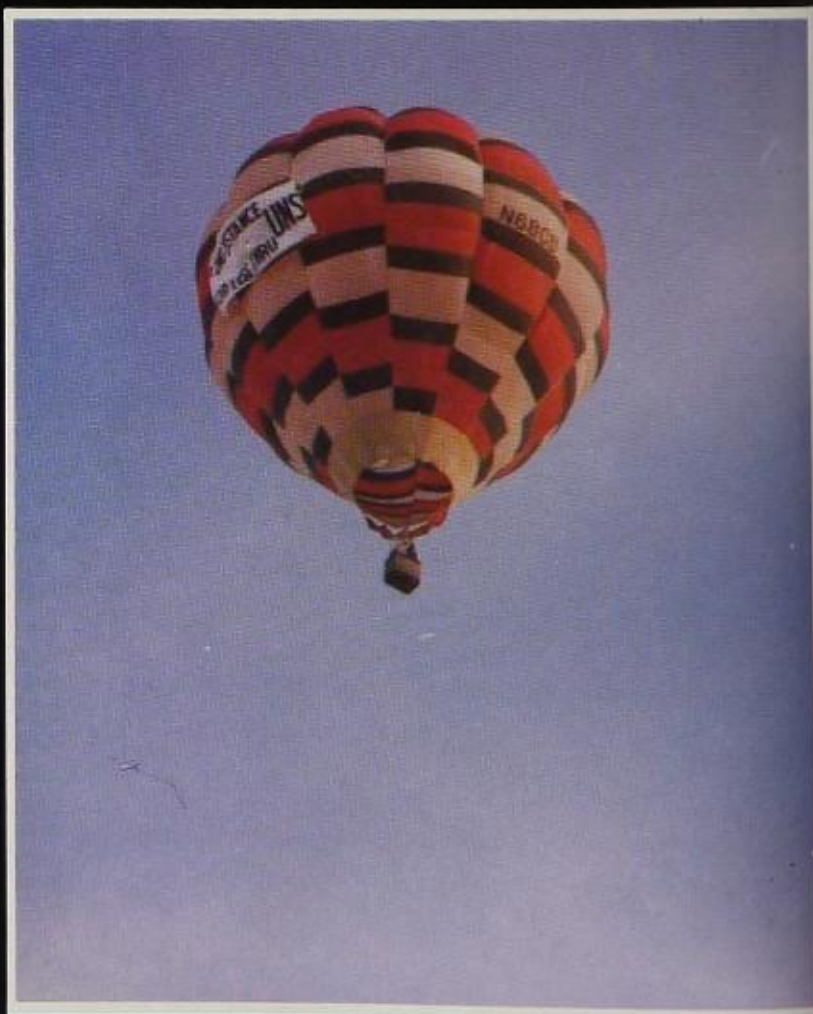

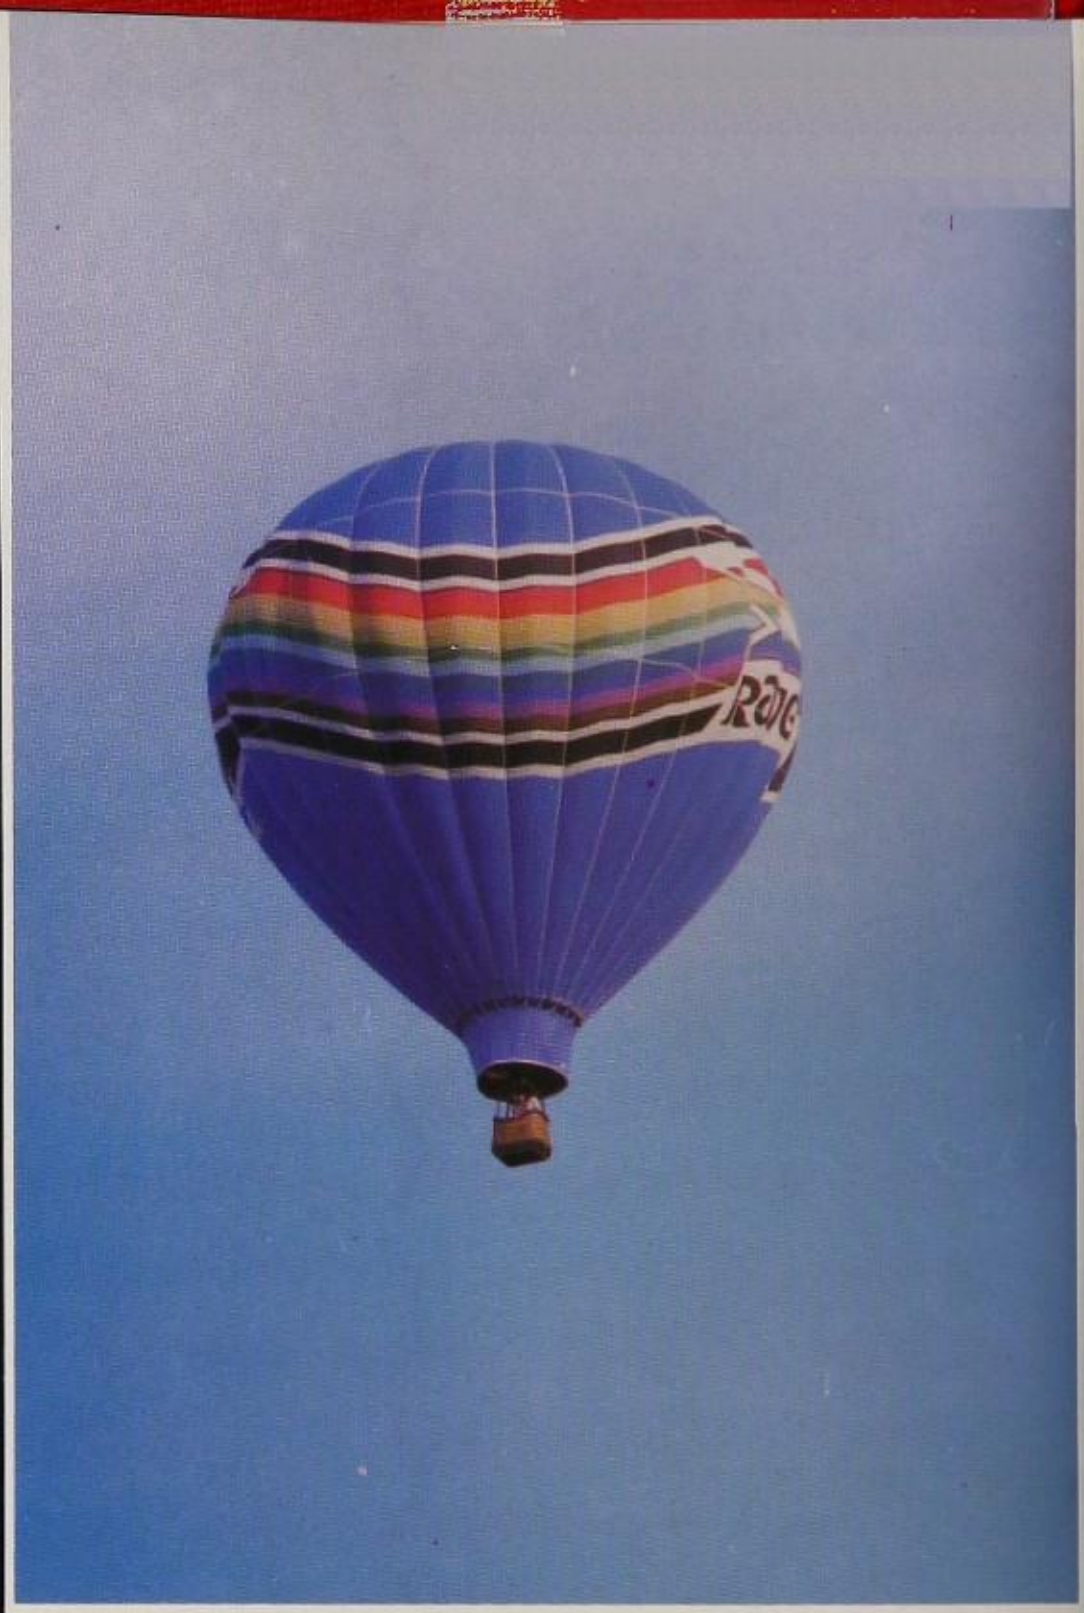

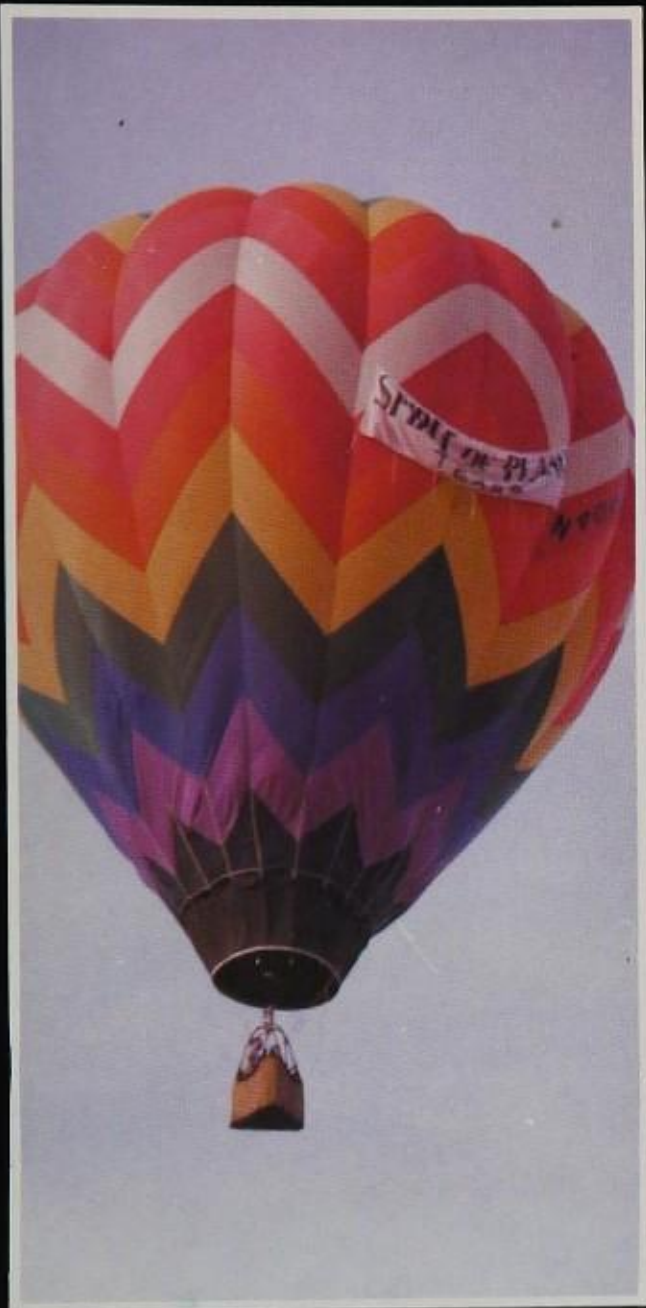

Dedication

Born in Dallas in 1901, Sister Mary Ruth Talty, O.S.U., is an enthusiastic woman who has served the Ursuline community for fifty-six years. Sr. Ruth is a joyful person who is always interested in contemporary problems and never ceases to promote happiness in the people around her. While an Ursuline sister, Sr. Ruth has taught both on the elementary and secondary levels; although she is retired, she tutors Ursuline students five mornings a week. Also, Sr. Ruth is a very active member in the Central Province Commission for retired sisters. Because of Sr. Mary Ruth Talty's continued enthusiasm, service and love for the students of Ursuline Academy in Dallas, we, the Class of 1981, are proud to dedicate our yearbook to this wonderful woman.

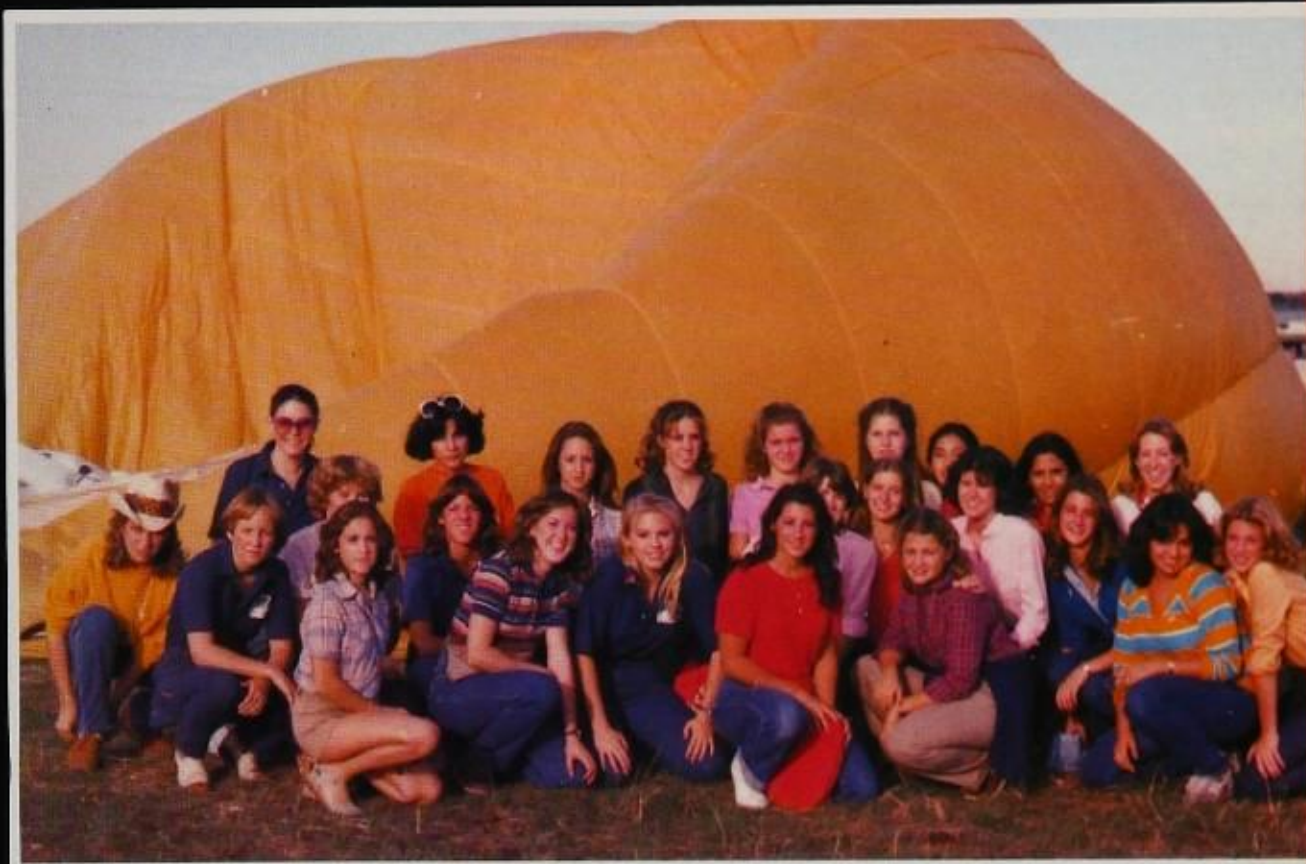

In passing time appears a unique moment,
 A marvelous joy to share:
 Behold this gift to hold our memory
 That can gently return our spirits there,
 A balloon that floats in expanded air,
 So in your love did my heart expand in care;
 May God now uplift people's hearts,
 In sharing his precious gift of you:
 Multicolors reflect the many talents you do; Your
 VOICE brings harmony to the spirit,
 Your LIFE'S PORTRAYALS to guide us true,
 Your BEAUTY to behold in delight,
 Your SMILE to distract our worried life,
 Your SELF to nudge us in hope,
 Linked together in spirit upward bound,
 Awaiting the precious moment eternal,
 When all shall be in the DRAMA TRUE.
 We are grateful for your life portrayal and song,
 To provide us so much relief on our journey long,
 That for a moment you have helped us ESCAPE.
 Earth's bonds allowing our spirits to SOAR.
 Rising like a balloon to see so much more.

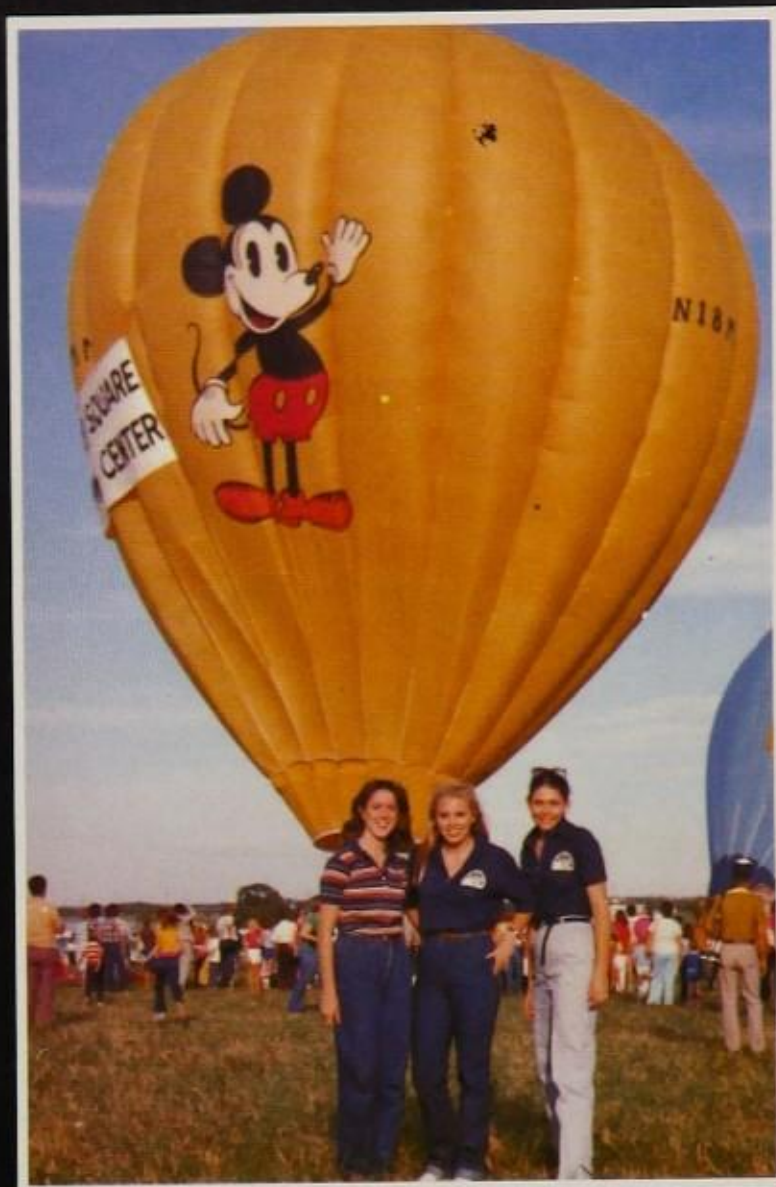

*In passing time appears a unique
moment,
A marvelous joy to share:*

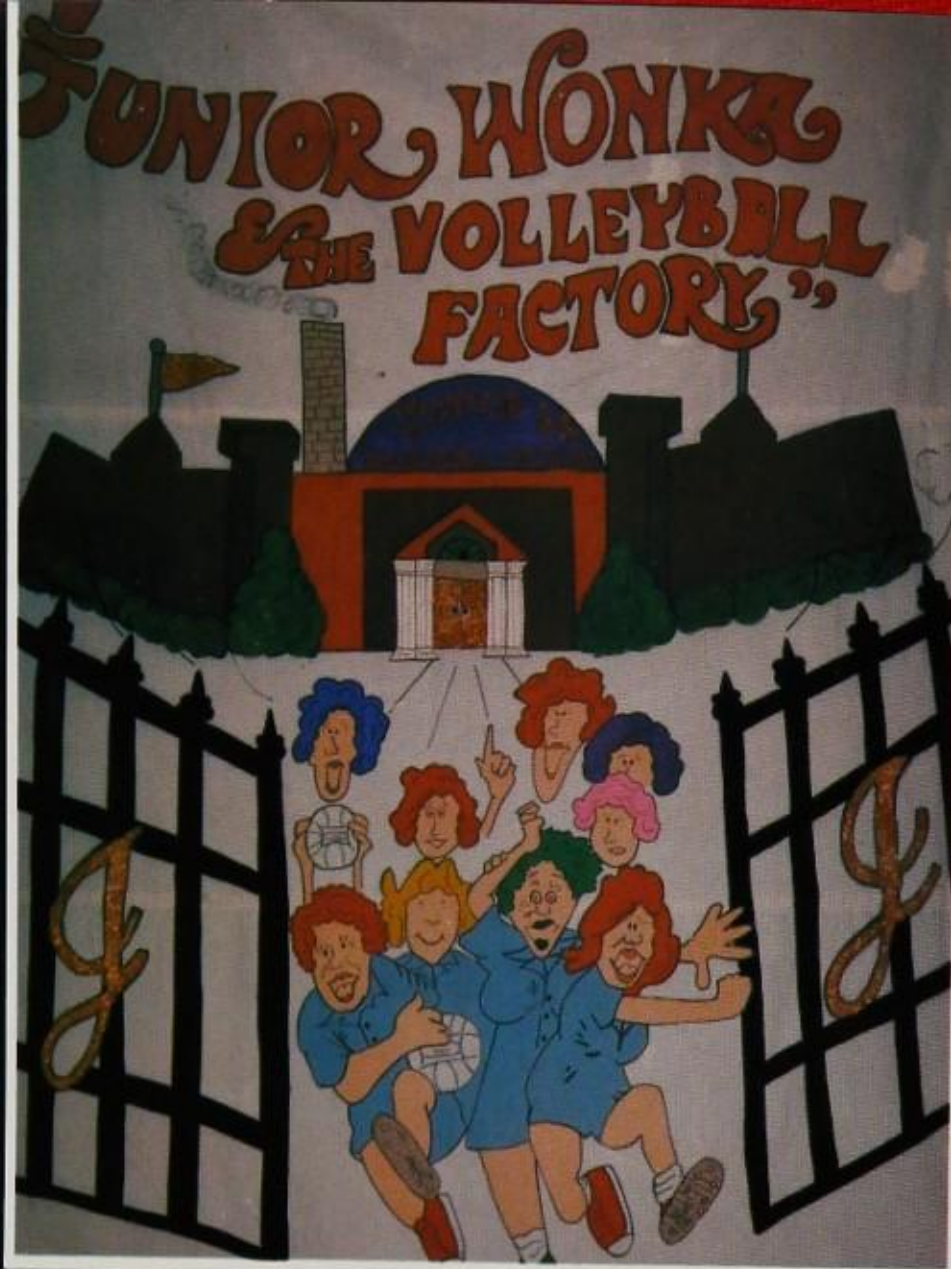

*Behold this gift to hold our memory
That can gently return our spirits there,*

*A balloon that floats in expanded air,
So in your love did my heart expand in care.*

Unity Day

The Seniors went to Ranchland on May 8th for Unity Day. The girls swam, went horseback riding, played pingpong, and just enjoyed being with one another before graduation. To close the day's activities, a slide show was presented commemorating the past four years. The Superlatives were then announced.

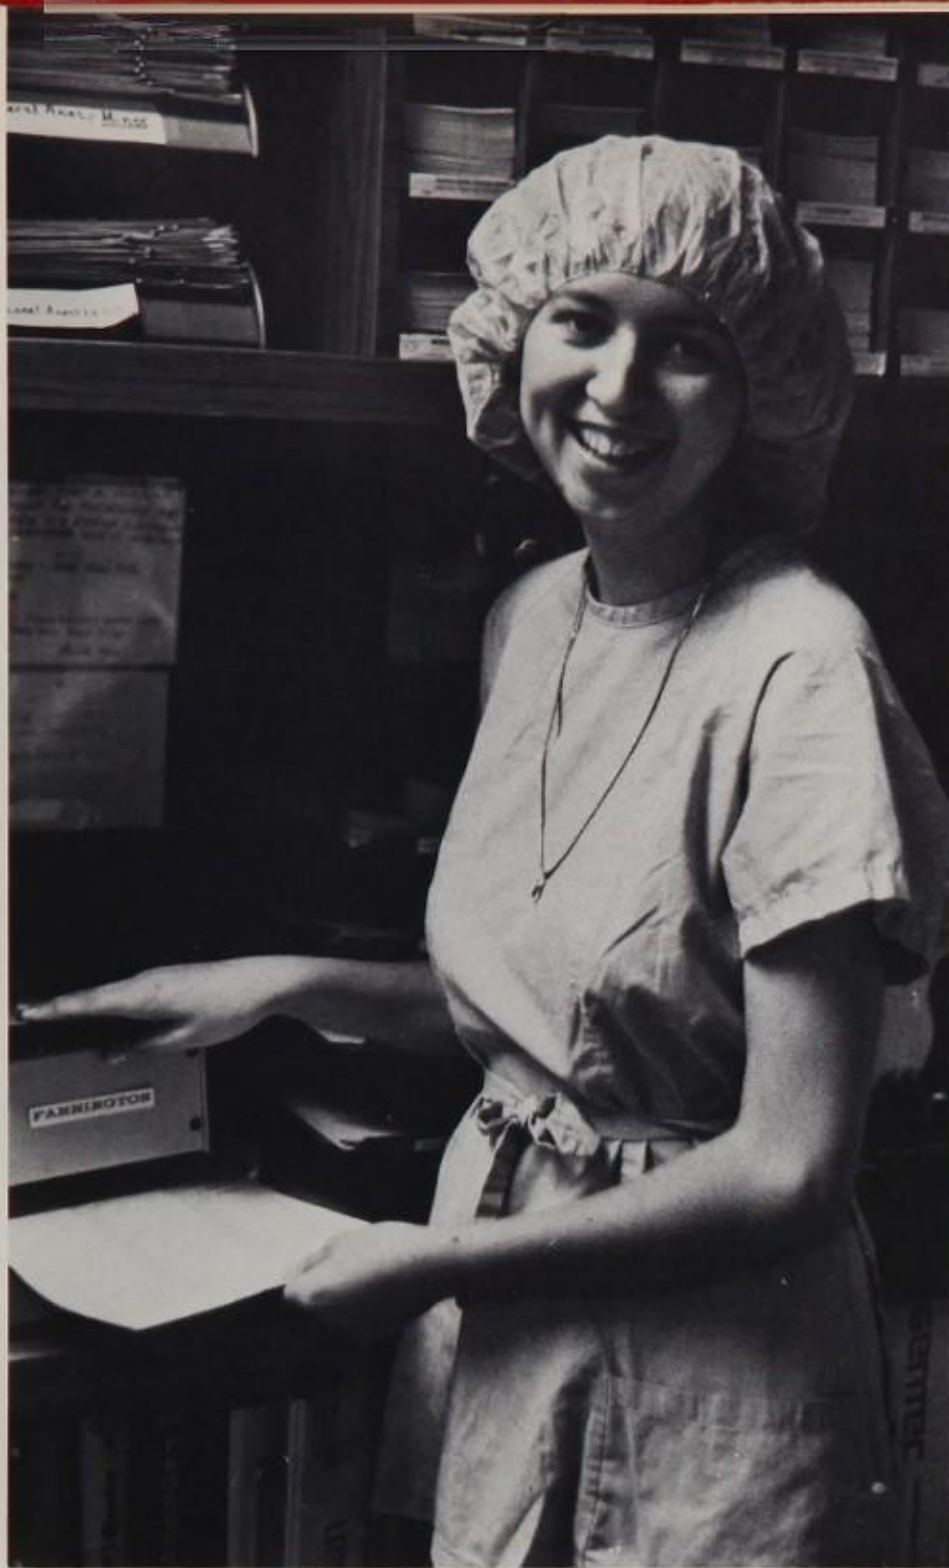

The Seniors went to Briarwood for their final retreat at Ursuline. The two days were filled with activities aimed to recall the past years at Ursuline and to look ahead into the future.

Senior Retreat

Community Service

Throughout the year, the Seniors put in $2\frac{1}{2}$ hours of Community Service every Tuesday morning. Some of the girls had the chance to work in hospital recovery rooms while others had the satisfaction of teaching a child to speak English. The $72\frac{1}{2}$ hours each girl was required to serve were $72\frac{1}{2}$ of the most rewarding hours each girl had ever spent.

Graduation Practice

Graduation practices were held every day the week prior to graduation for three and a half hours. The girls practiced everything from their song to their bows to walking in their shoes. The Alumni Club and the Sophomores gave the Seniors parties during their Breaks.

Baccalaureate Mass

The 1981 Baccalaureate Mass was celebrated by Fr. Deeves and Fr. Heaney, at St. Rita's Church. The Notes of Joy led the music for the mass, and various Seniors gave the readings. Each Senior was given a silk rose before the Mass.

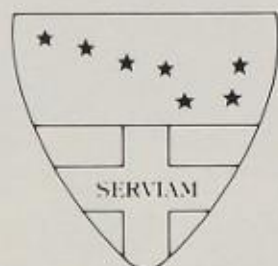

For the first time, the **Baccalaureate Brunch** was held at the Dunfey Dallas Hotel. Sister Carla Dolce, OSU, gave the invocation before breakfast. Sister Catherine Chandler, OSU, presented the awards for outstanding achievement in the various courses. A special award was given for the first time, Renee deLassus was awarded the Shiela Starmer Award.

Experiencing an Education

In addition to the necessities of reading, writing, and arithmetic, you'll discover that the experiences surrounding your academics prove precious to your education.

You learn discipline in studying and meeting deadlines,
You nourish friendships through school involvement,
You share team spirit, and loyalty, and sportsmanship,
You learn not only to meet challenges, but to create them,
You discover disappointments too, and how to overcome them,
and grow from them.

All these learning experiences help form your perception of the world, and the world's perception of you. You gain the wealth of an active mind, a contemporary beat, along with a sense of tradition.

Dallas Times Herald salutes your accomplishments as a student of Ursuline Academy, and extends best wishes for your future success.

A TRIBUTE TO ALL DAUGHTERS

Every home should have a daughter,
for there's nothing like a girl
To keep the world around her
in one continuous whirl . . .
From the moment she arrives on earth,
and on through womanhood,
A daughter is a *female*
who is seldom understood . . .
One minute she is laughing,
the next she starts to cry,
Man just can't understand her
and there's no use to try . . .
She is soft and sweet and cuddly,
but she's also wise and smart,
She's a wondrous combination
of a mind and brain and heart . . .
And even in her baby days
she's just a born coquette,
And anything she really wants
she manages to get . . .
For even at a tender age
she uses all her wiles

And she can melt the hardest heart
with the sunshine of her smiles . . .
She starts out as a rosebud
With her beauty unrevealed,
Then through a happy childhood
her petals are unsealed . . .
She's soon a sweet girl graduate,
and then a blushing bride,
And then a lovely woman
as the rosebud opens wide . . .
And some day in the future,
if it be God's gracious will,
She, too, will be a Mother
and know the reverent thrill
That comes to every Mother
whose heart is filled with love
When she beholds the "angel"
that God sent her from above . . .
And there would be not life at all
in this world or the other
Without a *darling daughter*
who, in turn, becomes a *Mother!*

Congratulations Yvette and thanks for being you!

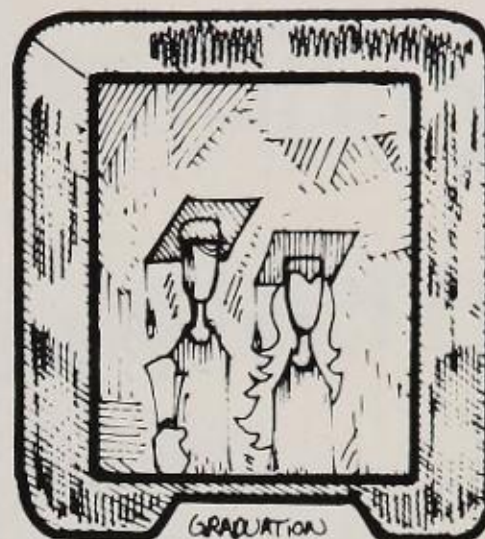

Love,
Mom & Dad

We trust you will long remember the education and guidance you received at Holy Trinity and Ursuline; retain your love for family and friends, respect others always, but best of all, treasure those basic Christian values you have already demonstrated. We love you very much and you will always be our baby.

My Friends

My friends you mean so much to me, more
than you'll ever know.

We began to touch each others' lives what
seems just a short time ago.

And as I look back at these past four years,
I begin to get a chill,

Cause I really just don't know how, without
you, I could've made it over that hill

We've laughed together, cried together and
when we cut it a bit too close sighed together.

Yes, we really did all that, and through
it all we stuck together.

My friends, are so special to me, and

since I've known you my heart has grown
for each time you cared to smile at me,
my heart sunk one foot deeper.

We've gathered up a thousand memories, each one
has its meaning to ponder.

Yet ~~was~~ one day will slip by that my memory of you
hasn't grown a thousand times fonder,
And now that I am leaving you, my heart is
here to stay.

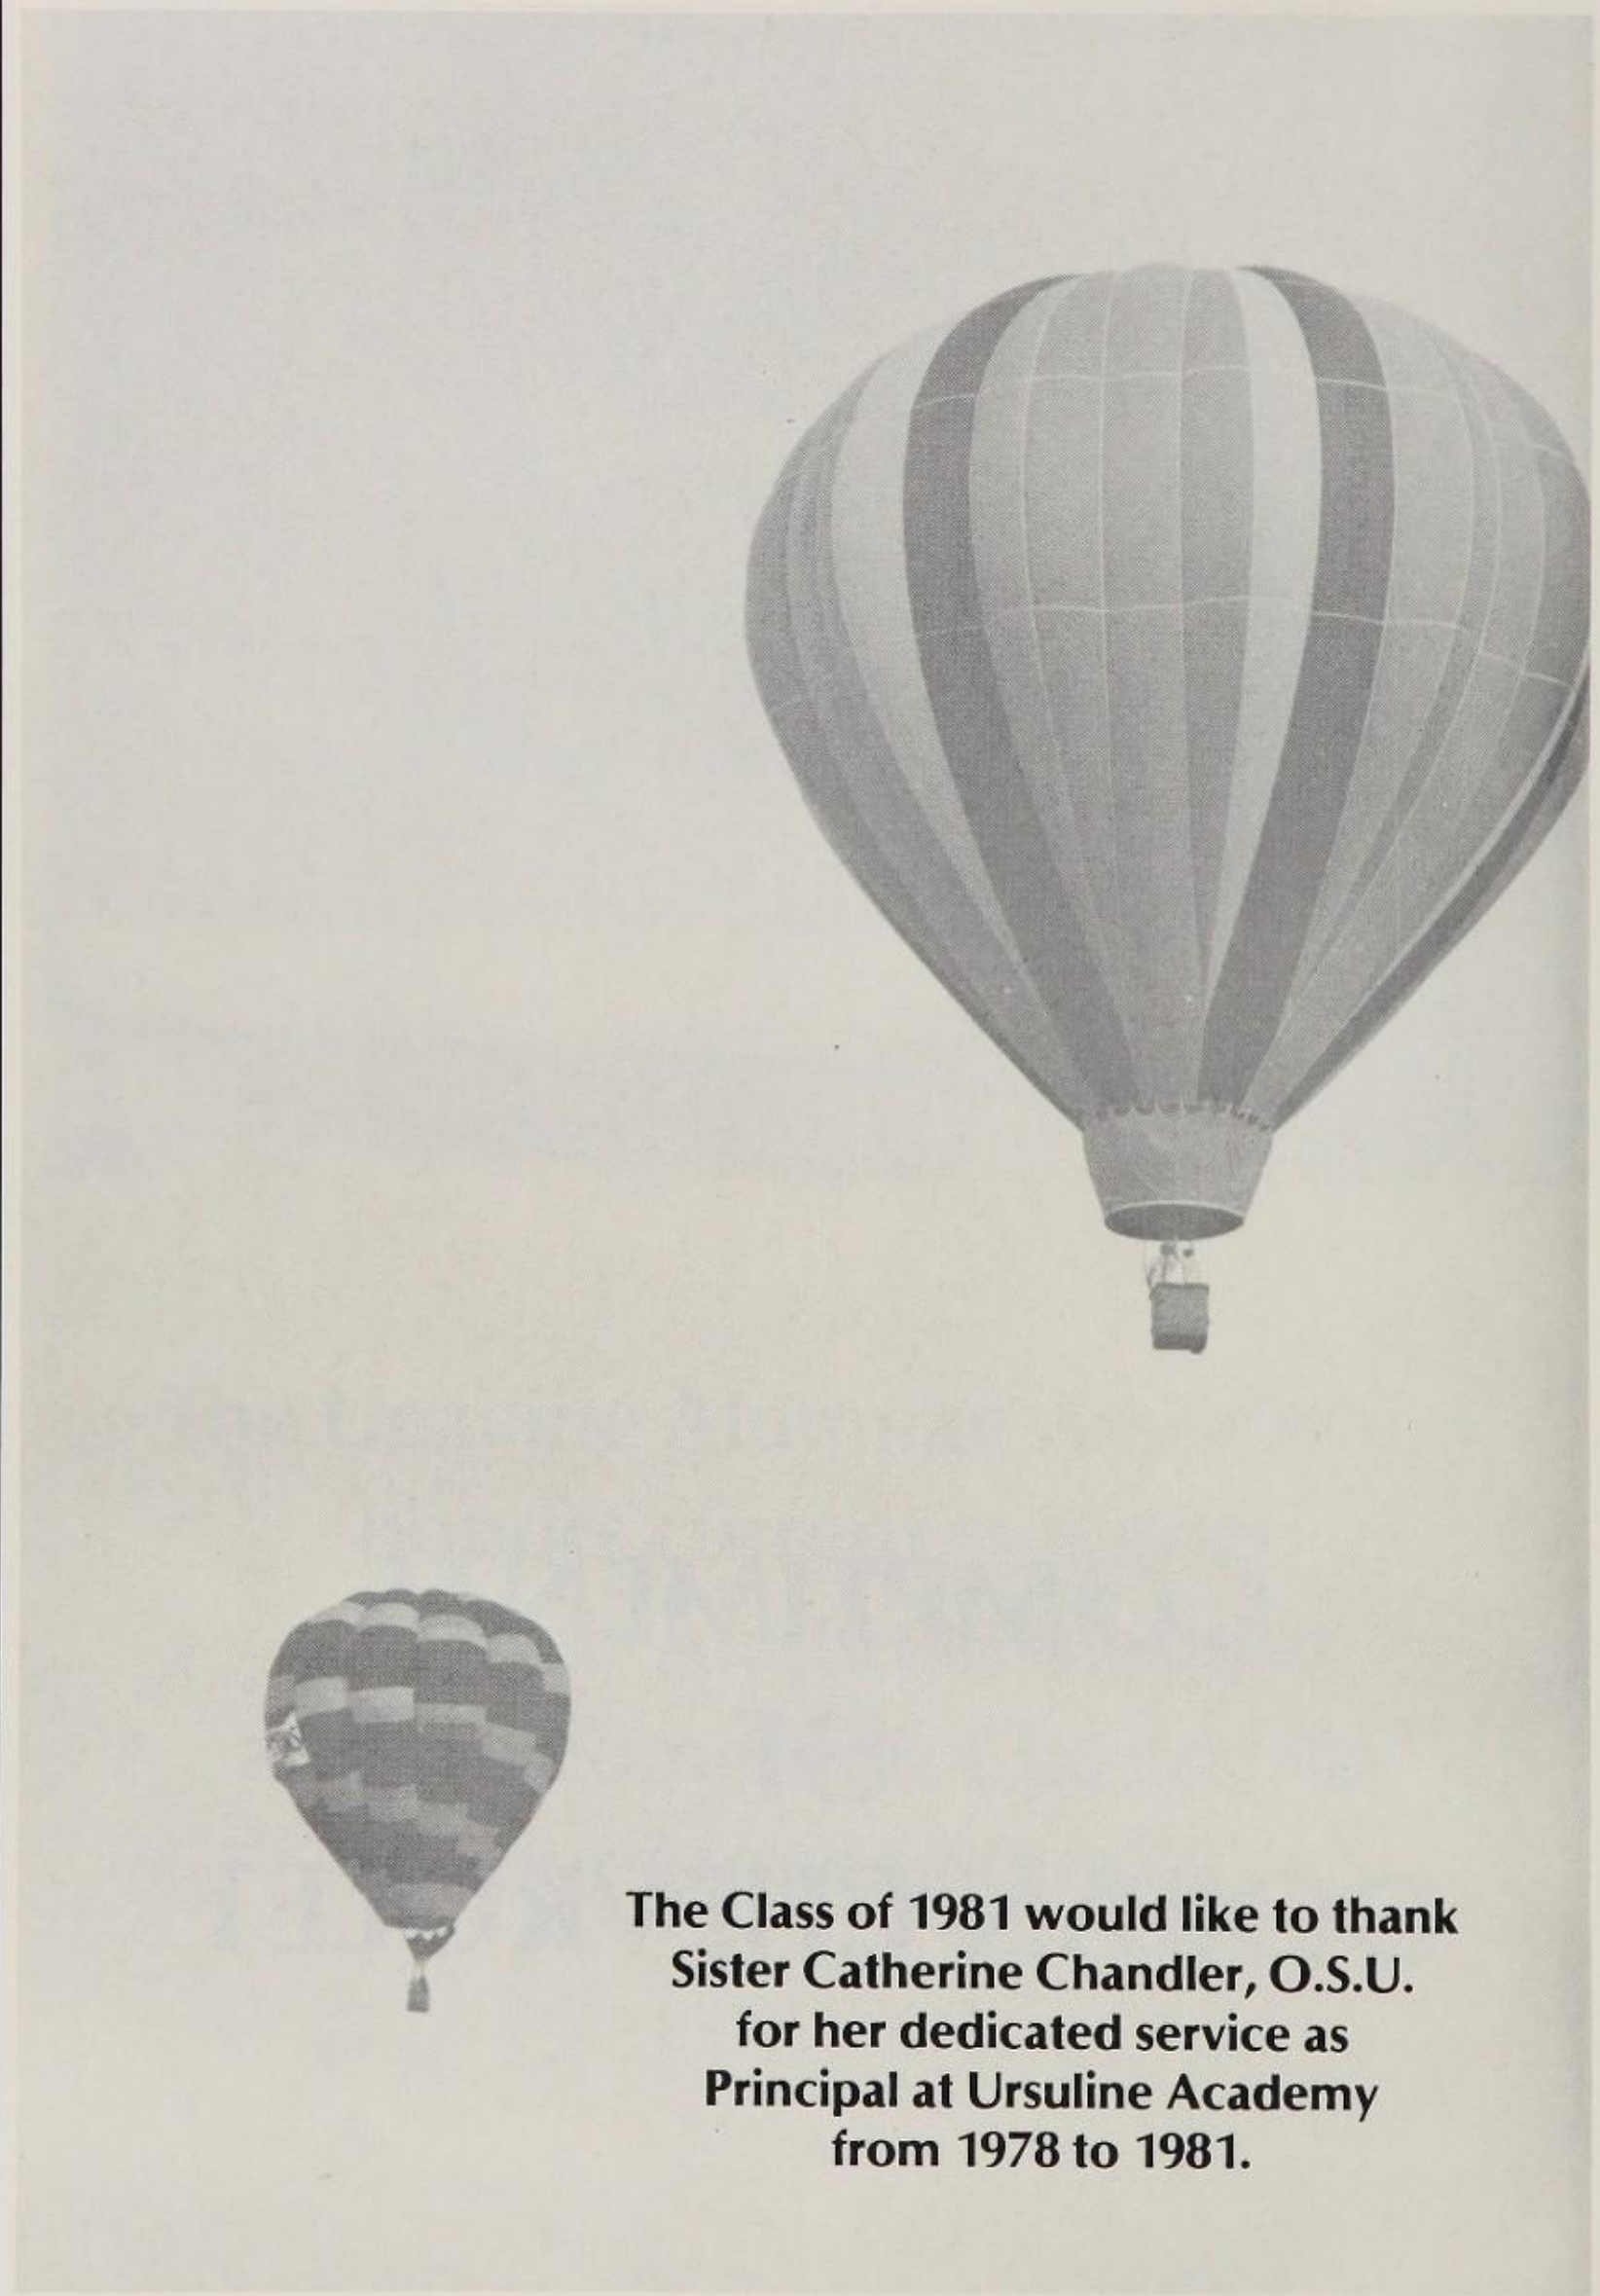

For because of you and all your love, I am what
I am today.
